REUTER'S TELEGRAMS.

(SUPPLIED TO THE "DAILY PRESS.")

LONDON, 17th April.

THE TROUBLE IN SAMOA.

The British Government has ordered that the German Manager of the plantation on which a British-American force recently suffered by an ambuscade, of Matafaua shall be handed over to the cruiser Folke subsequent to his trial by the German Consular Court.

THE FERMENT IN THE HINTERLAND.

to the state of affairs in the Hinterland, as developments of any importance having taken place since Monday.

Major Brown of the A.M.S. returned to Hongkong yesterday with a wound in the wrist caused by a spent bullet.

It seems that on Monday a detachment of the Hongkong Regiment, under Captain Farquhar, followed up the rebels after the attack on the camp. They had a couple of guns with them, and the shot fired from them did some execution among the enemy. Continuing their advance Captain Farquhar and his men encamped for the night in a valley some distance from Taipoo and as it rained heavily they had nothing but a pleasant time of it. During the evening the rebels shelled the camp on the surrounding hills and on Tuesday they assumed a still more threatening attitude, so much that an attack in force was anticipated. Word was accordingly sent over to Hongkong, and in response troops were sent out, some to the Day River, others to the Koko River, the latter being the scene of the rebellion. Some of the rebels were captured, and among them Major Brown, who was severely wounded.

The evidence given at the Magistrate having been repeated, defendant was found guilty and sentenced to 18 months' hard labour.

REUTER'S TELEGRAM.

An intelligent Chinaman on being asked yesterday what was the cause of the trouble replied to the following effect:—

In the quarter that has been ceded to Great Britain the Chinese Government intended

to do little with the people, and my opinion was that the British-American force recently suffered by an ambuscade, of Matafaua shall be handed over to the cruiser Folke subsequent to his trial by the German Consular Court.

According to a telegram in the Japanese papers state that Germany has demanded that the collection of Bikini cities in Shantung be placed under the control of Germans.

A Yunnan telegram of the 16th April to the N. C. Daily News states that Mr. A. R. Colburn has crossed Yunnan and proceeded to Tongking on the 11th inst.

Mr. E. B. Drew, Commissioner of Customs, has been appointed to Yunnan, and Mr. H. B. More, Commissioner to Hankow.

Poking telegrams to the Japanese papers state that Germany has demanded that the collection of Bikini cities in Shantung be placed under the control of Germans.

According to a telegram in the Japanese papers state that the ratification of the Treaty of Peace between America and Spain were exchanged at Washington on the 11th April.

At the seventh ordinary general meeting of United Agents, Limited, to be held in the Company's offices, Shanghai, on the 29th inst., the Directors have decided to recommend a dividend of 32 per share, making a total of 20 per cent for the year.

Messrs. Dallas and Musgrave's dramatic company, which had afforded their friends such a treat for the last few weeks, will not be here long, probably being sent to the West. The night of last Friday, March 28th, was a most successful one.

On Friday, the 28th inst., the play was given at the Royal Opera House, Rockwell Road, and the audience was well pleased.

According to a telegram in the Japanese papers state that the ratification of the Treaty of Peace between America and Spain were exchanged at Washington on the 11th April.
